Sponsorship Opportunities + Benefits

We need your help
rescuing, rehabilitating,
and rehoming abandoned
animals in South Carolina.

Your Sponsorship is the difference in a dog or cat receiving a final victory.

We are a 501c3 nonprofit organization who relies solely on donations to allow us to rescue at-risk shelter dogs and cats, sick and abandoned strays, or unwanted and neglected 'pets' from South Carolina. Your financial support will help us continue saving lives.

Whether we are pulling from local kill-shelters or digging a puppy out of a dumpster, **we never want to turn down an animal in need.** We provide costly health and emotional rehabilitation for the animals in our care before matching them with safe, loving adopters in our area and across the northeastern US.

We couldn't have rescued the **thousands** of animals we have without the support of our volunteers, large fostering network, and financial sponsors + donors, like you, who support our mission.

How donations help:

We typically have about **120 animals in our care** at any given time. Here's a few numbers for you to see how your sponsorship will help:

- 🐾 \$120 provides spay or neuter surgery for one dog.
- 🐾 \$250 cares for one puppy born in our facilities.
- 🐾 \$300 will feed 20 dogs for one week.
- 🐾 \$500 will treat deadly heartworm disease found in almost all neglected animals.
- 🐾 \$1,500 will pay for a life saving surgery.
