Why?

Just like people, pets can face costly health emergencies and chronic illnesses and care can be difficult to access. Trupanion offers immediate financial support when you need it most, getting your pets the best care and giving you peace of mind.

What?

With Trupanion, your pet gets one plan for life that covers everything from new, unexpected illnesses and accidents to medications, with no caps on payouts or limits on care.

Who?

With nearly 1 in 2 pets needing unexpected veterinary care before their first birthday, it is best to get puppies and kittens covered while they are still young, so they can live longer, healthier lives.

How?

When your pet needs care, we can pay our portion of the bill directly to the veterinary hospital, at checkout. No paying out of pocket, no claim paperwork, and no waiting for reimbursements.

When and where?

You can take your pet to any veterinarian, specialist, or emergency hospital you choose. Plus, we're available 24/7/365 to help whenever your pet needs care.
